

Dear Clerk of the Court,

Please file the attached Notice of Appeal, Request for Appointment of Counsel, and Statement of Reasons in the following case.

18: MJ-00048-TJC

I have been assigned a district court case number however, I do not have it available, and wish for you to file it under that case number.

I am unable to file these documents as I am confined and burdened with a conflict of interests as explained in my statement of reasons.
